3 bedroom villa for rent in Umalas

This villa is located next to the traditional village of Umalas and just ten minutes' drive from Batubelig beach on Bali's southwestern coast. This out of town setting presents the double attraction of being close to everything while also offering a privileged insight into the traditions of rural Bali.

The contemporary Balinese architecture comprises 4 pavilions with 3 air-conditioned bedrooms complete with ensuite bathrooms. The main open sided pavilion is housing a sizeable living, dining and a semi equipped kitchen open to the garden and swimming pool. The 2 pavilions are reserved for 1 bedroom each, while the master bedroom is located on the upper level floor of the 2-storey pavilion adjacent to a balcony that provides beautiful view of the surrounding. Still on the same pavilion, there is an air conditioned living room located downstairs completed with large sofa.

This villa is complemented by a pretty garden with a flat lawn and a swimming pool, together with a relaxation bale.
